

ZONE 5 WOMEN

GROUP PACE OF PLAY POLICY

Pace of Play Time Par:

Time Par will be 2 hours & 15 minutes per nine holes regardless of the course being played which results in a time limit of 4 hours & 30 minutes for eighteen holes. This will allow an average time of 15 minutes per hole. Players are also expected to finish no more than 12 minutes behind the group in front of them. (This is dependent on the starting time intervals of time plus 5 minutes).

Failure to adhere to one of these stipulations will result in a warning; failure to comply with both stipulations will result in a one stroke penalty.

For example, a group finishes the front 9 in 2 hours & 20 minutes and is 15 minutes behind the group in front of them, a penalty of one stroke will be assessed. If the extra time can be made up on the back nine, an appeal may be made to withdraw the penalty.

An exception will be granted when groups are delayed by club members or green fee players.

If a player is found to be slow and delaying her group, the player will be monitored and timed by a Rules Official. If the time to make a stroke when it is the player's turn to play exceeds 40 seconds, a penalty will be assessed.

Penalties may be appealed.
